Display Class

The Early Ford V-8 Club of America will have a “Display Class” at all national meets. The cars shown in this class are those cars of Ford manufacture from 1932-1953 (Fords, Mercurys, Lincolns, trucks, etc.) that do not qualify for any of the other concourse or touring classifications.

Vehicles placed in display class will submit to a safety inspection and be equipped with a fire extinguisher.

The regional group(s) hosting the national meet will have the discretion on whether or not to give awards for this classification.

The Early Ford V-8 Club National Meet Award Medallion shall not be given on any award in the Display Class.
