MAY MEETING MINUTES

Submitted by Secretary Mike Heatherly

President Dan Pudelek called the meeting to order at 8:05 pm.

George Zulas presented the Treasurers Report The club balance is \$2,266.02.

George Zulas discussed club clothing. As indicated in February, he said he would hold the order open until he obtained the minimum quantity required. Further, he will not collect money from members until the minimum order size is reached. It took over a year to get the order minimum together last time and he doesn't want to hold anyone's money that long.

Ken Bounds reported that there are 76 paid up members for 2007.

Health and welfare: Stan Stack was sick. Larry Webb was recently involved in a car accident. He totaled his Suburban. He required surgery and had a PACE maker installed. Jerry Webb recently underwent knee replacement surgery.

A few minutes were spent discussing the additional cost the club will incur to mail newsletters. It was decided to continue to mail the Road Chatter in its booklet form. Ken and Carolyn have done such an excellent job putting the Road Chatter together we want to keep it the way it is. E-mailing and bringing copies to the monthly meeting is just too awkward. The information would be stale and an undue burden on Ken to try and distribute it three different ways.

Club members were asked if we wanted to continue and provide

UPCOMING TOURS AND EVENTS

Winona Drivers Meeting, Saturday, June 30

Everyone planning to attend the Central National Meet in Winona is encouraged to attend the kickoff meeting at 6:00 p.m. Saturday, June 30 (note the new date). We thank Cliff Dixon for obtaining the American Legion Hall in Arlington Heights. This will be a fun evening for all participants to get together and go over the tour and meet agenda, driving schedule and directions, reminders, etc. There will be a trivia contest for door prizes, so be ready!

The hall is located at 121 N Douglas Ave., at the corner of Miner and Douglas, just three blocks east of Arlington Heights Rd. Come hungry, food will be provided - cash bar. **Please contact Ken Bounds at 630-858-9474 by June 19 to let him know you are coming.** Bring your V-8, weather permitting.

Volo Show - Sunday, July 1

On Sunday, July 1, we will show our cars at the Volo Auto Museum at their largest car event of the year. Over 300 cars are expected, plus there will be a chance to meet the "King of Kustomizers" George Barris. The location is 27582 Volo Village Rd, Volo.

Since our entire group is expected to arrive together, we will tour as a group from the Town & Country Mall, corner of Palatine Road and Arlington Heights Road, leaving no later than 9:00 a.m. sharp. If it is not convenient for you to drive with the group, please make arrangements for your arrival directly with George Cech. The fee of \$7-\$10 for the show includes dash plaques and admission to the museums for two. Food will be available on the premises. More details will be provided at the June 19 monthly meeting. **Please contact George Cech at 847-395-5932 if you plan to participate.**

40th Anniversary Cruise on Fox Lake - Saturday August 4

Location: Famous Freddie's Roadhouse, 510 S Park, Fox Lake.

Come celebrate the 40th anniversary of the founding of the Northern Illinois Regional Group on Saturday, August 4. The \$55 per person cost includes a 3-hour cruise from 3:00 – 6:00 p.m., a sub sandwich, and open bar. There is a minimum requirement of 20 people and a maximum of 35, so book early. **Call George Cech to sign up now if you would like to attend.** More details will be provided in the July Road Chatter and at upcoming monthly meetings.

McHenry County Driving Tour - Sunday, May 6

By Ken Bounds

On May 6 Ron Dopke hosted our first driving tour of the year. A big NIRG "Thank You" to Ron for organizing this event on a pleasant, sunny spring day.

The day began with Tom O'Donnell leading most of the group from Arlington Heights to Bull Valley. There we met up with Ron Dopke and Stan Stack and toured the collection of Dan Adams. Dan has so many terrific cars and so much memorabilia that there was hardly time to see it all. Dan has a large number of fully-restored Mercurys from various years, most notably an ultra-rare 1948 Mercury Marmon Woody. Dan also has a meticulously restored '50 Ford Crestliner. Our thanks go out to Dan for his hospitality and for allowing us to view his collection.

From there Ron led a long line of beautiful V-8's across miles of McHenry County scenic highways, a couple of laps of the historic Woodstock town square, and on to Spring Grove for a tour of the Auto Gallery Museum. This museum has a large number of cars, including several Flathead V-8's for sale by consignment. One notable example was an attractive restored '38 Ford Tudor Sedan with a 60 hp V-8.

After a short trip to Richmond we had lunch at Doyle's Pub and Eatery; then everyone said their goodbyes and made their way back home.

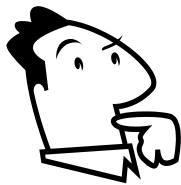

Those attending were: Dick & Dot Alfini, Caddy Convertible; Ron & Arlene Blum, '40 Ford Sedan; Ken Bounds, '50 Ford Convertible; Don & Elaine Braun, '56 Ford Pickup; Cliff Dixon, '46 Ford Sedan; Ron Dopke with Norm Lang, '40 Ford Tudor; Ron's guests

Wayne & Donna Johnson, '67 Mustang; John Judge, '50 Ford Convertible; Frank & Phyllis Madrigali, '51 Ford Pickup; Joey Novak, '40 Ford Pickup; Jack & Jean Nikolich, '39 Ford Convertible; Tom O'Donnell & son Tom, '40 Mercury Sedan-Coupe; Steve O'Neill, '41 Ford Sedan; Dan & Diane Pudelek, '53 Ford Victoria; Colin Sprau & son Brandon, '47 Ford Street Rod; and Stan Stack, modern iron.

Did you know?

In June 1957 as part of its centennial celebration of statehood Oklahoma buried a unique time capsule - a 1957 Plymouth Belvedere. It was buried along with 10 gallons of gas, 5 quarts of oil, flags, aerial maps and a few other things in a concrete enclosure. On June 15, 2007, they will dig it up and bring it to the Tulsa Convention Center. Boyd Coddington of *American Hotrod* and his crew will be on hand to attempt to start the car.

Crystal Lake Museum Tour - Saturday, May 12

By Ken Bounds

Well, if one driving tour wasn't enough for you, how about two in one week? On May 12 a group of V-8'ers met at the Town & Country Mall in Arlington Heights for a tour to two museums in Crystal Lake. The sight of all those V-8's ready to roll was interesting enough, but we were also treated to two new "finds" from NIRG members.

A lot of time was spent inspecting the "new" '39 Ford Convertible that Paul Jensen had just brought back from Southern Illinois. The car is pristine! Paul has himself quite a car and should really put it in the Concourse class in Winona. We would like to hear more from

Paul about how he sweet-talked this one away from its prior owner.

Also arriving with a "new" car was Steve O'Neill with yet another '41 Tudor; his third this year! And when we say "arrived", we mean he just arrived. Steve bought the car in South Dakota the previous afternoon and drove it all the way back overnight, arriving just in time for the tour.

At 9:30 our host, Jack Nikolich, led the group out Northwest Highway to Marvin Richer's collection at Brock Equipment Company in Crystal Lake, arriving by 10:30. Marvin has quite a collection of unusual antique cars, including several Ford V-8s that he has gathered from all over the country. Among Marvin's diverse collection are a large number of Corvairs (don't tell Ralph Nader). As impressive as Marvin's collection was the enormous size of his facility; you would just have to see it to believe it. Large shelves throughout the facility contained a huge stock of parts from engines to fenders to complete bodies. One notable item was a '40 Ford Flower Car purchased from a local funeral home.

After we had time to view Marvin's collection, Ken Weger met us and led us to his Mini-Motors collection at his expanding museum. In addition to viewing Ken's restoration shop, his incredible collection of mini cars, and his memorabilia collection, we were also treated to a guided tour of Ken's new 15,000 square foot museum, currently under construction.

We wrapped up the tour with a late lunch at Kief's Reef, just off Route 176 at the Fox River. A hearty NIRG "Thank You" to Jack Nikolich for arranging and leading the tour and for working the phones to get so many V-8's out on the road.

Attending were: Ron Blum, '40 Ford Sedan; Ken & Carolyn Bounds, '50 Ford Convertible; Don Braun, '56 Ford Pickup; Tom & Judy Buscaglia, '51 Ford Tudor; Lloyd & Gladys Duzell, '40 Ford Pickup; John Judge, '51 Ford Vic-

toria; Charles Kaiser, modern iron; Joe & Nell Kozmic, '37 Ford Coupe; Paul Jensen & Paul Linzer, '39 Ford Convertible; Frank & Phyllis Madrigali, '51 Ford Pickup; Joey Novak, modern iron; Jack & Jean Nikolich, '39 Ford Convertible; Tom O'Donnell & Len Vinyard, '40 Mercury Sedan-Coupe; Steve O'Neill, '41 Ford Sedan; Dan & Diane Pudelek, '53 Ford Victoria; Stan Stack, modern iron; and George & Dawn Zulas and Alan Wall, '40 Ford Tudor.

MAY MINUTES CONTINUED

coffee at the meetings. It was decided to continue to provide coffee and also switch to decaf.

A few minutes were spent discussing recent club outings.

Dan thanked the following members for hosting events: Tom Buscaglia for Eggs and Eights, Ron Dopke for the McHenry County Driving Tour and Jack Nikolich for the Crystal Lake Tour.

A discussion took place regarding upcoming events.

- The private collection of Lee Hartung will be visited on Sunday June 3rd.
- The American Legion Post 690 of Palatine will host a Car Motorcycle and Truck Show on Sunday June 24th.
- Volo will host a George Barris car show on Sunday July 1.
- Ken Bounds has arranged to have a Central National Meet Planning meeting on Saturday July 7. (Note: This date has been changed to June 30). It will be held at the Arlington Heights American Legion Hall.
- The Arlington Heights American Legion Auxiliary Unit 208 will host a Car Motorcycle and Truck Show on Sunday July 29th.
- The club will drop its idea for a Sycamore Speedway outing. The Speedway is not very cooperative or forthcoming when approached for information.

George Cech is looking into a Chain of Lakes boat cruise for the club's 40th Anniversary. He expects information will be published shortly regarding tour boat schedules. To date none has been available. (Note: See updated information on Page 3.)

Please note that the July meeting has been moved forward to Thursday July 12 from Tuesday July 17, since so many members will be attending the Central National Meet in Winona.

Please look to the Road Chatter for detailed information on these upcoming events.

Ron Blum showed video he shot of the Crystal Lake tour.

Joe Kozmic won \$18.00 in the 50/50 Raffle.

Dan thanked Judy Buscaglia for the cookies she baked for the meeting.

In Attendance: George Bastunes, Ron Blum, Ken Bounds, Tom Buscaglia, George Cech, Cliff Dixon, Don Drews, Lloyd Duzell, Jimmy Guido, Mike Heatherly, Paul Jensen, John Judge, Joe Kozmic, Paul Linzer, Frank Madrigali, Neil McManus, Frank Nagode, Jack Nikolich, Joe Novak, Tom O'Donnell, Steve O'Neill, Bob Paladino, Dan Pudelek, Len Vinyard, Alan Wall and George Zulas.

TECH CORNER

We would like to thank Tom O'Donnell for suggesting this month's tech article. We have re-printed below, with permission, a NAPA parts list from the web site www.Fordbarn.com (not to be confused with The Ford Barn in Wisconsin). This is a great web site to ask questions and get answers about V-8 Fords as well as to buy and sell parts. Check out the site the next time you are online. Our thanks to webmaster Shelly Kaptain for allowing us to print the list. If you know of any items that can be added to the list, let us know! Please make sure the part is correct for your application when ordering.

10 Years Ago This Month – June 1997

The Road Chatter contained a letter written to the National Club by Joe Kozmic about changes in touring class and a response from V-8 Club President Don Rogers. The Road Chatter also had an article about Drew Englert's '50 Ford "Police Car".

20 Years Ago This Month – June 1987

The Road Chatter contained a profile of Jerry & Florence Corcoran's original '49 Tudor. Joel Clark hosted a Ford Plant tour June 4. The highlight of the June 9 monthly meeting was an interesting and informative presentation on the Columbia Overdrive by Marty Duling. Earl Heintz hosted the Springbrook Mall car show June 20. The Eastern National Meet was held June 22-26 in Fairfax, VA! Joel Clark hosted a driving tour June 28 along the Rock River and to Rock Valley Auto Parts in Stillman Valley.

30 Years Ago This Month – June 1977

The June 14 monthly meeting was a huge success as 43 members and 5 guests attended a demonstration at ROPO Metal Strippers in Arlington Heights. President Ray Tognarelli passed out the new NIRG rosters. Earl Heintz arranged a fund-raising car show June 26 in Orland Park.

35 Years Ago This Month – June 1972

The NIRG extended a special Early V-8 welcome to the newest member, Sam Iusi. Sam had a '37 DeLuxe Tudor. Tony Verschoore hosted an overnight tour to Burlington, WI. Among the V-8's on the tour were Tony's newly restored '34 Tudor Sedan, Len O'Connor's '39 Coupe, and Ron Dopke's '40 Tudor. The only problem encountered was loose lug nuts on Ron's '40 along with some curious goats.

IS IT SAFE TO REUSE WATER BOTTLES?

I'm sure we have all done it. You buy a bottle of water and when it's empty you refill it instead of getting a new one. You think its good for the environment and it is saving you a few dollars too. Have you even wondered if that was a safe thing to do?

The Good News is that this issue has been well studied. The convenience-sized water bottles sold in the U.S. are made from polyethylene terephthalate (PET) and the FDA has determined that PET meets the federal safety standards for single use and repeated use. Harmful chemical and toxins are not leaching in to the bottles when you reuse them. There are several hoaxes about it being unsafe to reuse or freeze water bottles. There have been studies that have proven these hoaxes false.

The Bad News is that this doesn't mean that reusing water bottles is totally safe. Potentially harmful bacteria can build up in the water bottle after each use. The bacteria comes from your hands, mouth and any dirt that comes in contact with the mouth of the bottle. According to a study by *WGN News*, the longer you reuse the bottle the more bacteria builds up.

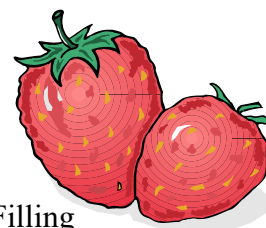

If you are going to reuse a water bottle it is safest to thoroughly clean the bottle between uses. This is easier if you have a wide mouth bottle. The typical bottled water from the store has a narrow mouth making it very difficult to thoroughly clean the bottle. If you can't or won't clean the bottle thoroughly between uses it is safest to recycle it and get a new one.

V-8 Gals

Creamy Layered Fruit Sensation

- 1 15 oz Angel food cake
- 3 Tbsp. Orange juice
- 1/4 tsp. Almond extract
- 2 1/2 cups fat free milk
- 2 packages (4-serving size each) Vanilla Flavor Sugar Free Instant Pudding & Pie Filling
- 1 1/2 cups thawed Cool Whip Free, divided
- 2 packages (12oz each) frozen mixed berries, thawed & well drained

CUT cake into cubes; place in large bowl. Combine orange juice and almond extract, drizzle over cake cubes, toss lightly

POUR milk into another large bowl. Add dry pudding mixes. Beat with wire whisk, 2 minutes or until well blended. Gently stir in 1 cup of the Cool Whip.

LAYER half the cake cubes in bottom of a glass-serving bowl. Top with layers of half each of the berries & pudding mixture. Repeat layers. Cover with plastic wrap. Refrigerate 2 to 6 hours before serving. Top with remaining Cool Whip.

Save a few of the berries to garnish the top. It's very easy to cut this recipe in half.
