FROM THE DESK OF PRESIDENT

Welcome to May. Springtime is finally here and hopefully you've had a chance to get your V-8 out on the road. I've already seen a few V-8s at some of our club functions, and I look forward to seeing more – time for me to get my top down and get out as well.

First, I would like to thank Ron Blum for planning our Pizza Meeting on April 16th. We had a great turnout and there was plenty of pizza, soda and other beverages to go around. No one left with an empty stomach. It was also great getting a chance to meet with our new members James and Kathy Larson and learn about their '39 Tudor Sedan. In addition to this, I would like to thank John Emmering for organizing our Eggs and Eights Breakfast at Egg Harbor Café in Geneva. John had a great turnout of 21 members and seven V-8s on a great sunny day.

As we look to May, we have another busy month planned. In addition to our normal monthly meeting, Ken Bounds is hosting a spring shakedown tour to the veteran's home in Manteno, IL on May 31. This is something we've done before and it's always a great time for the veterans (and us as well!) Please contact Ken if you're interested in participating.

On a sad note, we mourn the passing of longtime member Jeryl (Jerry) Webb, wife of Larry Webb. Our prayers go out to Larry and their family.

Scott Gilday, NIRG President

Jerry Webb - November 7, 1946 - April 5, 2015

We lost a wonderful V-8 Club member and good friend in April with the unexpected passing of Jerry Webb. Jerry and husband Larry have been members of our group since February 1988. Jerry attended many club events and rarely missed our late September tours to the Lake Geneva area. Even though Jerry had to undergo dialysis treatments three times per week in recent years, she still attended our poker rallies and worked in a dialysis appointment on Saturdays in Lake Geneva.

Although Jerry struggled for several years with health issues, we never heard her complain. She always had a smile and was pleasant to be with. We will truly miss her. Our condolences to Larry and their children, Kathy and Jeff.

UPCOMING TOURS AND EVENTS

Driving Tour to the Illinois Veterans' Home 1 Veterans Drive, Manteno, IL

When: Sunday, May 31, 2015

Where: Meet at 8:30 am at White Fence Farm or at 10:00 am at the Veteran's Home in Manteno

Lunch: White Fence Farm, approx. 1:00 pm

Needed: You and your classic car

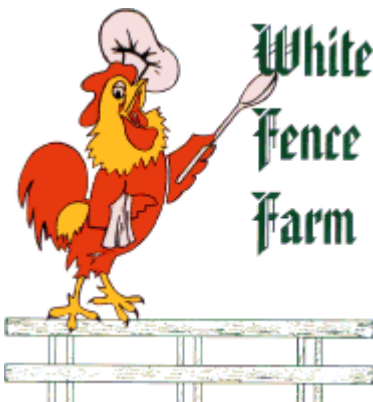

To honor our veterans living in the Illinois Veterans' Home in Manteno, we will have a driving tour to their grounds on Sunday, May 31. We strongly urge as many of our members as possible to support this effort by bringing out their classic cars and giving the residents a treat.

The Manteno Veterans' Home, opened in 1986, is located on a 122 acre campus and comprised of five major nursing care units and two ancillary service and support buildings. With a total capacity of 340 beds, the Manteno Home offers skilled care and Alzheimer's Unit programs and services to eligible veterans.

We will meet in the White Fence Farm parking lot at 8:30 am Sunday for the 42-mile drive over secondary roads to the Veterans' Home. Folks coming from the North and West may wish to form groups for the drive to White Fence Farm, located at 1376 Joliet Rd in Romeoville. You can either exit I-355 at Joliet Rd and proceed 2 miles south to the restaurant, or take IL-53 south to Joliet Rd and go $\frac{3}{4}$ of a mile north. Participants driving modern cars can consider leaving their cars at the restaurant and ride along in one of the Early V-8s. *Please note that the White Fence Farm does not open until noon - there will be no restroom facilities available when we meet for the tour.*

Anyone going directly to the Veterans' Home, located southeast of Manteno near the intersection of N 4000E Rd and E 8000N Rd, can take I-57 to Manteno, take Exit 322 and proceed east through Manteno, ending up on 9000N Road. Follow it east to 4000E Road. The entrance to the Home is one mile south.

There are signs along the way.

The Veterans are expecting our group around 10:00 a.m. We will stay for about 90 minutes and hopefully be able to show our cars and answer any questions the residents there may have for us. We will return over secondary roads to the White Fence Farm for a late lunch around 1:00.

Members signed up a dozen cars at the Pizza Meeting. **We would really like a strong showing for this event - let's try to get 20 classic cars on this tour!** Please contact Ken Bounds at 630-858-9474 by May 19 and let him know you would like to take part. You will also have a final chance to sign up at the May 19 monthly meeting.

A Night at the Races • Maywood Park

By Ken Bounds

On Friday, March 27, Ron Blum hosted a lucky group of NIRG members, family, and friends at the ever-popular Night at the Races. This year we were treated to harness racing at Maywood Park in Melrose Park. The dreary cold snap did not scare anyone off as our group of 28 took advantage of the great package that Ron put together for us.

As everyone enjoyed the buffet dinner, bets were being placed for the first race. The night got off to a good start as nearly everyone at our table came up a winner when the race was won by a longshot. We had to move quickly to get bets in for race #2 as it was the race dedicated to the Northern Illinois Regional Group. Many of us went down to the winner's circle to have our photo taken with the winning horse Blazing Fury driven by Jo De Long. Three members of our group were thrilled by the experience of riding in the starter car for the race. Ron even arranged for three more to ride in a later race. You cannot imagine how exciting this ride is until you get a chance to take it yourself.

As the evening went on and more races went into the books, it seemed like our group had a lucky horseshoe somewhere. Several from our group won on multiple races. John and Robin each bet on a longshot in one race and they both came up winners.

As the race card began to wind down, our group began to make their way to their cars and head home after a really fun evening. Our thanks go out to Ron Blum for once again hosting a super event. If horse racing survives in Illinois, we hope to do it again.

Eggs and Eights in Geneva; A Hearty Breakfast and Good Time

By John Emmering

An array of seven vintage Ford Motor Company automobiles caught the attention of early morning passersby strolling down South Street in Geneva as our Northern Illinois Regional Group gathered for a spring tradition "Egg & Eights". The event took place Sunday April 26th at the Egg Harbor Café. The vintage FoMoCo automobiles were driven that morning by Roger Hunz, a 1951 Ford Custom Tudor; Tom & Judy Buscaglia, also a 1951 Ford Custom Tudor; Ken & Carolyn Bounds, a 1950 Ford Custom Convertible; Dan & Diane Pudelek, a 1953 Ford Tudor Victoria; Ron Steck unveiling the new look of his recently repainted and restored 1940 Ford Pickup; Joey Novak & Millie Olds, 1953 Mercury Monterey; and Tim Carlig, a 1936 Deluxe Fordor Sedan.

By 9:00 am the assemblage of hungry Ford V-8ers, 21 in all, gathered at the long set of tables prepared for us inside the café. Soon orders were in and members began conversing over coffee or orange juice waiting for the breakfast of their choice. Partaking in the breakfast were John & Robin Emmering, who hosted the event, Ken & Carolyn Bounds, Ron & Arlene Blum, Tom & Judy Buscaglia, Tim Carlig, Roger Hunz, John Judge, Kathy Larson, Frank Madrigali, Joey Novak & Millie Olds, Gary Osborne, Dan & Diane Pudelek, John & Este Scheve, and Ron Steck.

breakfast was concluded, most of the group funneled back outside of the Egg Harbor Café onto South Street and the mild spring weather to admire the vehicles in attendance parked along the street and chat with locals who stopped to admire our cars. Once again “Eggs and Eights” was a great occasion inaugurating what we expect to be wonderful spring and summer seasons of Ford V-8 events.

APRIL 21 MEETING MINUTES

Submitted by John Emmering

The place to be Tuesday April 21st was Lou Malnati's Restaurant in Buffalo Grove where our annual Pizza Meeting, hosted by Ron and Arlene Blum, was a great success. Forty-eight members and guests enjoyed participating in the event in what has become our favorite meeting of the year.

After members had a chance to greet each other and chat, President Scott Gilday called a short business meeting to order at 7:43pm. Scott greeted new members James and Kathy Larson to this, their first NIRG event. Scott then asked Ron Blum to give a recap of another event he sponsored, A Night at the Races, held on Friday, March 27. Ron said it was a good time with a good turnout, explaining the fun some lucky members had riding in the pace car, the opportunity to be in a special photo and having a race named after our group. Ron closed by saying he hoped to be able to continue the event in the future. John Emmering was given a chance to put in a plug for "Eggs and Eights" which will be held at the Egg Harbor Café in Geneva, IL on Sunday, April 26 at 9:00 am.

Ken Bounds took the floor beginning with some national club announcements. With regret Ken announced the passing of National Club member Leo Gephart. Leo was considered an architect of the old car hobby and was known for his many antique car enterprises. Leo was a former owner of the stainless steel 1936 Ford now on display at the Early Ford V-8 Foundation Museum. Also with sadness Ken announced the accidental death of Larry Bailey, who had been an active member of Georgia Regional Group 24. Ken recalled that Larry was very well liked and recalled that he opened up his private automobile collection for several of our members to view during the Hiawasse Georgia National meets. On a brighter note Ken announced that our newsletter *Road Chatter* took second place in the 2014 Early Ford V-8 Club Newsletter Competition and won another Golden Quill Award from Old Cars Weekly Magazine.

Hosts Ron & Arlene checked everyone in

APRIL 21 MEETING MINUTES - CONTINUED

Upcoming tours:

- Ken once again encouraged participation in the Joint Tour with the Northern Ohio Regional Group to Dayton, Ohio on July 30-August 2. A sign-up sheet was circulated.
- A brand new event was announced by Ken; an encore visit to the Illinois Veteran's Home in Manteno, IL, after the very enjoyable visit to the Home five years ago by our group. The participants will gather on Sunday May 31 (the weekend after Memorial Day) at White Fence Farm at 8:30 am and drive to Manteno where our cars will be displayed to the veterans. After the event the group will return to White Fence Farm for a late lunch. See the announcement in the *Road Chatter*.

The business meeting came to an end with the arrival of the thin crust and deep dish pizza slices to each table and the fun began with an enjoyable meal and plenty of V-8 camaraderie. Len Vinyard had a lucky night taking the \$50.00 50-50 jackpot. Appreciation goes out to all those who attended and made the event the success it was. Those participating in the evening were our hosts Ron & Arlene Blum, Ken Bounds, Tom Buscaglia, Tim Carlig, Joe & Marie Dispensa, Ron Dopke, Gladys Duzell, John & Robin Emmering, Terry & Kitty Freihage, Scott Gilday, Earl & Gene Heintz, Paul Jensen, John Judge, Frank Koeder, James & Kathy Larson, Paul Linzer, Neil & Julie McManus, Joe Novak & Millie Olds, Roger Obecnny, Tom O'Donnell, Gary Osborne, Dan & Diane Pudelek, John & Este Scheve, John & Barbara Slobodnik, Stan & Jo Anne Stack, Ron Steck, Ron Vaughan, Len Vinyard, Alan & Lois Wall, and George & Dawn Zulas. We were honored by the presence of guests Roger Mason, Mike & Sherri Essenberg, and David Blum.

FROM THE EDITORS

KEN & CAROLYN BOUNDS

If you read your March-April *V-8 Times* or attended the Pizza Meeting, then you already know that the *Road Chatter* has been awarded 2nd Place in the 2014 Early Ford V-8 Club newsletter competition. Once again we extend congratulations to our good friends Bruce and Carol Gable of the Indianapolis group who took 1st Place for the third year in a row for their outstanding *Hoosier Views* and all the other editors who were recognized

for the quality of their publications. Thanks to David Kelley who has the task of analyzing hundreds of newsletters to make his selections.

We are also pleased to tell you that the editors of *Old Cars Weekly* have recognized the *Road Chatter* with our 8th consecutive Golden Quill award. We share these accolades with you, the members. Without the many fun activities we have in the club there would be no *Road Chatter*. We are also particularly grateful to John Emmering who has submitted so many interesting articles in the past few years.

We heard from long-time members Tom & June Young this month. June reports that as of April 15 they have moved to Belvidere. Please look for a label this issue with their new address that you can add to your 2015 Roster. June asked us to say "Hi to all" and reports that they "are still above ground."

It was nice to see several members at recent events who have had recent health-related issues. Ron Dopke was looking good at the Pizza Meeting after cataract surgery this month. Both Judy Buscaglia and George Zulas appear to be getting around much better after recent injuries. Thanks to Lois, Alan Wall made it to the Pizza Meeting and seems to be improving.

Congratulations to Dan Pudelek on the purchase of a car he has wanted for years - a 1956 Ford. We look forward to seeing the "new" car on the road this month. Dan has put his gorgeous '53 Victoria up for sale - see the ad on page 14.

Finally, we want to mention last month's Tech Corner article about the new "Flathead Control" app for smartphones. We hope you realized that this was an April Fools joke - the app does not exist. Sorry!

Ken & Carolyn

Welcome New Members

The Northern Illinois Regional Group extends a warm welcome to James and Kathy Larson of Romeoville. They own a 1939 Ford DeLuxe Tudor and joined the National Club last year. James is working to get his '39 put back together after radiator service so he can get it on the road.

James & Kathy came to their first event, the Pizza Meeting, this month. We hope to see them again at more upcoming Club meetings and events. Their contact information is included on a label inserted in this issue that you can add to your 2015 Roster.

10 Years Ago This Month – May 2005

On May 22 Tom O'Donnell hosted a tour to the Historic Auto Attractions Museum in Roscoe, IL. Tom's drive to Roscoe in his '40 Mercury went sour when a water pump locked up. The rest of the group went on to the museum only to find it closed. After Tom caught up, everyone went to lunch, toured back home, and would have something to talk about in the future.

20 Years Ago This Month – May 1995

On May 6 Rich Doligale hosted a Southside Spring Fling driving tour to two collections, including George Schaff's huge truck and tractor collection in Frankfort. The tour was a big success with about 60 in attendance. At the May 7 Grayslake swap meet, several NIRG members manned a table of parts donated by club members and enriched the club's treasury by \$427. At the May 16 monthly meeting there was much discussion about the tour to the Central National Meet in Nashville.

30 Years Ago This Month – May 1985

The May Road Chatter included a detailed update on the planning for the 1986 Central National Meet. The report contained a correction that Frank Koeder was responsible for the purchase of the raffle car, not Lloyd Duzell as previously reported. At the May 14 monthly meeting it was announced that we have a new member, Cliff Dixon from Lombard. Much of the business of the meeting was progress reports on the National Meet. It was reported that the raffle car has been finished and that already 1,250 raffle tickets have been sold.

40 Years Ago This Month – May 1975

Thirty members and spouses attended the May 13 monthly meeting at Tom Young's freshly cleaned and painted body shop. George Anderton presented a program on welding. Don & Elaine Braun hosted a picnic May 25 at the Pheasant Valley Hunt Club in Kenosha, WI, attended by 26 adults and 16 youngsters. Sounds like a great time was had by all & the guys actually had a few beers.
